experience

Interaction Design Intern — Carbon Health

May – August 2017 · San Francisco, CA

Helped to redesign the Carbon clinic experience by delivering service blueprints, multi-device user flows, and prototypes for Fall 2017 launch.

Interaction Designer — SocialVR Lab at Carnegie Mellon

Jan 2017 – Now · Pittsburgh, PA

Shipped UI/UX for an accessible virtual reality storytelling tool. MVP of the web editor is live, and VR viewer is being beta tested on Google Play Store.

Currently, designing UI/UX all-mobile browser-based editor and viewer.

UX Researcher — Eczacibasi Group, Vitra

Apr 2016 – Jan 2017 · Bilecik, Turkey

Conducted an evaluative lab study with 20 participants that investigated the relationship of trust and long-term adoption of a smart product.

Communication Designer — Middle East Technical University

Jan 2014 – Jul 2016 · Ankara, Turkey

Designed print&digital campaigns, merchandising, and wayfinding with university's visual identity in an in-house agency environment.

Product Designer — Esetron Smart Electronics Co.

Aug 2013 – Dec 2013 · Ankara, Turkey

Iterated product concepts, created marketing visuals, and wireframed an Android app for a smart parking navigation system.

Design Intern — Demirden Design

Aug 2012 – Sept 2012 · Istanbul, Turkey

Design Intern — Karel Electronics Inc.

Jul 2012 – Aug 2012 · Ankara, Turkey

Usability Intern — METU/BILTIR UTEST Usability Testing Unit

Dec 2010 – Jan 2011 · Ankara, Turkey

skills

Design

Sketch
Adobe CC
Rhinceros
Cinema 4D
Keyshot, Vray

Basics of

HTML/CSS, Github,
Framer, Arduino

Research

Prototyping
(Digital + Physical)
Wireframing
